Old Town

Attracting a wide range of residents from artsy to affluent, Old Town is an incredibly popular neighborhood destination. It's proximity to the lake and the CBD help create this attraction. The diverse range of retailers keeps the neighborhood moving day and night. Victorian-era buildings, brick alleyways and narrow, tree lined streets are charming backdrops to a busy main strip that runs along Wells Street.

Comedy is a main entertainment staple provided by The Second City and Zanies Comedy Club. An eclectic shopping scene exists along Wells Street where one can pick up spice blends, imported olive oils, chunks of fudge, rare wines and premium cigars all in one single spree down Wells.

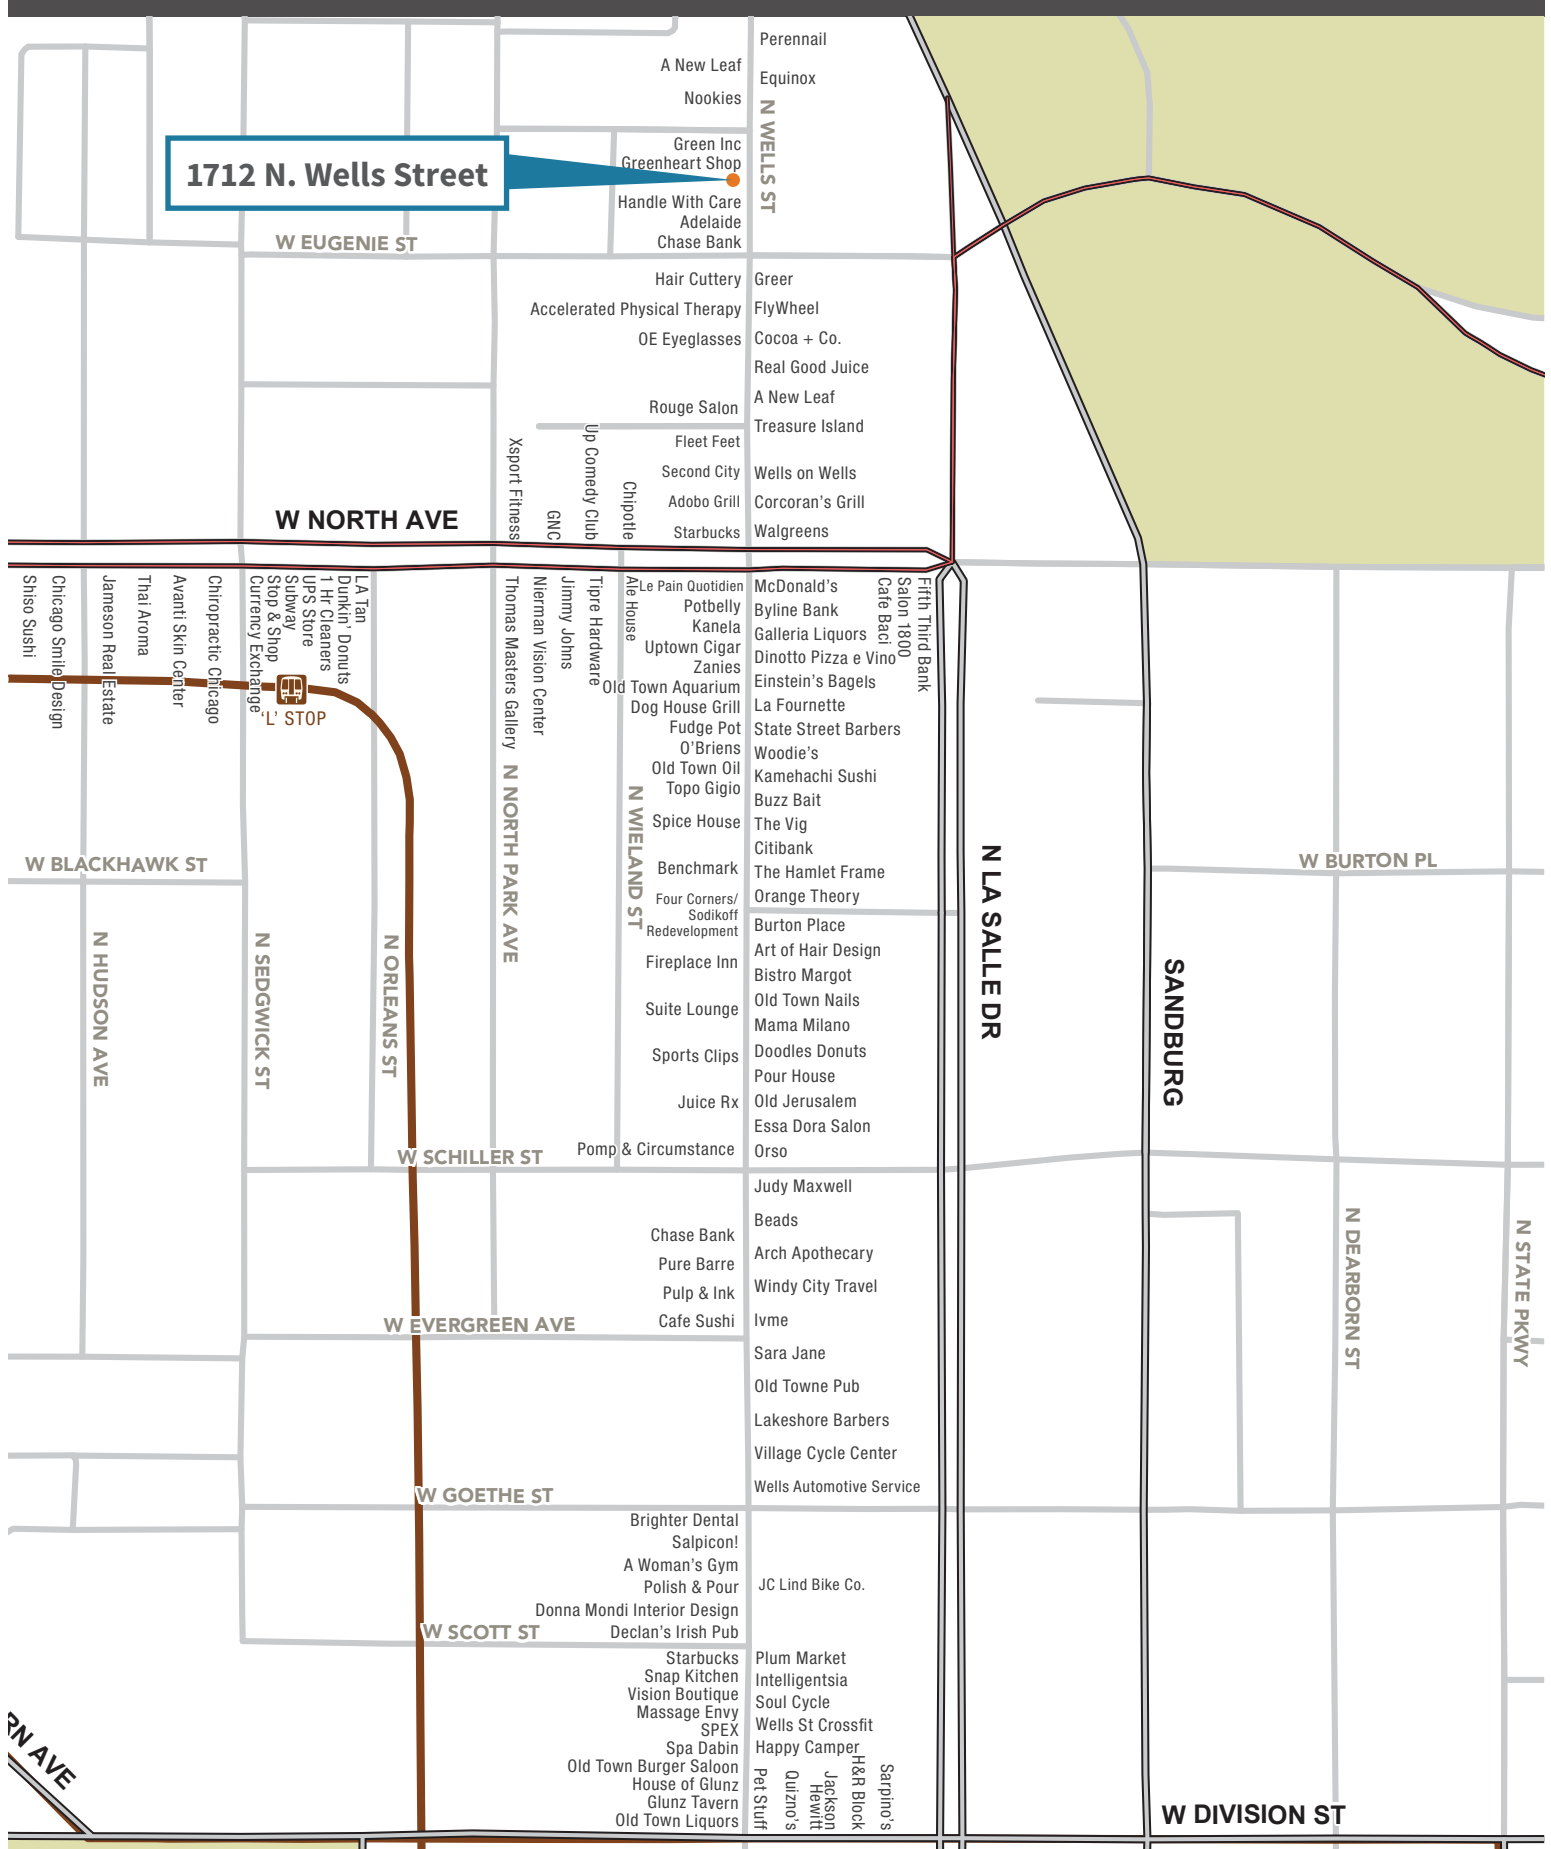

From sushi to ribs a depth in restaurant variety is seen in Kamehachi, Twin Anchors and the Glunz Tavern. A collection of hip and trendy bars such as Pour House, Social and Benchmark produce a lively night scene.
