Mixed-Use Building with Restaurant

4400 N. Clark Street

Baum Realty Group, LLC has been exclusively retained to offer for sale 4400 N. Clark Street, a two-story mixed-use building just north of Chicago's Wrigleyville neighborhood at the northwest corner of Montrose & Clark.

The property consists of a ±2,300 SF restaurant / retail space which is owner-occupied by a long-standing restaurant with a loyal customer base. The restaurant is fully fixtured with a 12-foot hood with fire suppression, deep fryers, a pizza oven and freezer / cooler space.

The second floor of the building contains two (2) apartments, both rented to the same long-term tenants paying below market rents. The property also boasts an unutilized paved outdoor area that can be activated as outdoor seating, parking, or potential building expansion.

The property represents a unique opportunity for a new restaurant operator or other retailer looking to capitalize on the property's highly visible and highly trafficked corner location as well as strong area demographics from nearby neighborhoods Wrigleyville, Ravenswood, Andersonville and Uptown. Alternatively, the property may appeal to investors seeking a well-located, infill value-add opportunity.
