Offering Summary

Baum Realty, LLC has been exclusively retained to offer for sale 11150 S. Cicero Avenue in Alsip, IL (the "Property"), a high-profile multi-building retail / industrial complex currently operating as a family-owned home improvement and building materials business that has been at this location for over 60 years. The property contains two buildings totaling 43,564 SF sitting on 107,890 SF (2.48 acres) of land and is zoned B1 Business, which supports a wide range of retail and commercial applications.

The main building is a 27,311 SF modern retail showroom built in 2008, with 23' clear ceilings, one (1) drive-in door (9' wide x 10' high), full air-conditioning and a wet sprinkler system. Directly behind the showroom building lies a 16,253 SF warehouse building, also constructed in 2008. This clear-span, column-free building boasts two (2) drive-through openings (25' wide x 14' high), a dry sprinkler system and a center pitched roof with 18' of clear height at the high point.

The two buildings share a 1,200 AMP, 3-phase power service and are surrounded by a parking field that can accommodate 70+ vehicles with the ability to expand.

The Property contains two (2) curb cuts and 375 feet of frontage on busy Cicero Ave. It is located just south of the bustling intersection of 111th & Cicero, offering excellent visibility along one of the area's primary commercial corridors with exposure to nearly 40,000 vehicles per day and a daytime population over 146,000 within a 3-mile radius and over 375,000 people within a 5-mile radius. The trade area ranks among south suburban Chicago's premier retail corridors, anchored by a dense cluster of top-performing national retailers at the intersection including a top performing Mariano's grocery store in the Stony Creek Promenade to the north and an Aldi grocery store just to the south.

The property can be purchased in combination with the adjacent Flex / Industrial property to the south, which would expand the site to a total land size of 152,434 SF (3.5 acres).

Market Overview

Alsip is part of a well-established commercial and residential trade area spanning Chicago's South Side and southwest suburbs, with convenient access to I-294, I-57 and I-80 and approximately 19 miles from downtown Chicago. The village is surrounded by established communities including Oak Lawn, Crestwood, Blue Island, Evergreen Park and Chicago's southwest side, providing access to a broad regional customer and employment base.

Major retail corridors and shopping destinations throughout the surrounding area draw consumers from across Chicago's South Side and southwest suburbs. The 111th & Cicero area is among the south suburbs' most active retail corridors, with nearly 40,000 VPD and a daytime population of more than 146,000 within three miles and 375,000 within five miles. The corridor is anchored by a dense concentration of national retailers and traffic generators, including a high-performing Mariano's at Stony Creek Promenade, ALDI, Cooper's Hawk Winery & Restaurant, T.J. Maxx and HomeGoods, along with numerous restaurants, retailers and service businesses.

Chicago Midway International Airport and the surrounding Midway Airport corridor are another major economic and traffic generator for the area. Located approximately 6.7 miles north of the subject property, Midway is one of the Chicago region's two major commercial airports, serving more than 21.5 million passengers annually. The airport supports a significant concentration of hotels, restaurants, retail, transportation and other commercial uses throughout Chicago's southwest side and nearby suburbs.

Alsip, IL

Alsip is an established southwest suburb of Chicago offering a mix of residential neighborhoods, commercial corridors and a significant industrial and employment base. Located in southern Cook County, the community benefits from its position near major expressways, regional employment centers and the dense population of Chicago's South Side and southwest suburbs. Its central location within this broader trade area, strong transportation infrastructure and proximity to major retail and commercial destinations make Alsip a well-connected part of the Chicago metropolitan area.
